If all of the bonds are approved, the Forsyth County tax rate will increase by 3.6 cents in 2018-2019 and by 3.8 cents in 2022-2023. For a house valued at \$150,000 this means a tax increase in 2018-2019 of \$54 per year, a little more than \$1 per week. In 2022-2023, that same \$150,000 home would see an additional tax of \$57 per year.
